**This seminar is about studying so it sticks! The secret to doing well at school is working smarter, not harder. In this session, strategies will be provided on how to:**

- Uncover and capitalize on learning styles
- Manage time like a pro
- Get and stay organized
- Create a plan to stay on top of work
- Take notes that make sense
- Remember what has been studied
- Study for exams
- Figure out what is important to study

**All students will be provided with a take away booklet.**
