

Number Sense is a play based program to help students in Grade 1 and 2 build foundational math skills. Held once weekly for 8-one hour sessions, Number Sense uses games and fun hands on activities, like building a Number Town, to build and reinforce skills in counting, adding, subtracting, grouping and estimation.

Dates Saturdays, October 19th to December 13th, 2019
No classes on November 9th (Remembrance Day Long Weekend)

Time 12:15 pm to 1:15 pm

Cost \$300 — Early bird rate before September 14, 2019
\$320 — Registrations after September 14, 2019

Registration Call 780-434-3698 to register. Registration can be taken over the phone.

Register with a friend and save money! Receive a 5% reduction when registering and paying for two or more students at the same time.

No refunds for cancellations after September 30th. Refunds for cancellations provided before September 30th less a \$50 non-refundable administration fee.

Each session of Number Sense will be capped at 12 participants to ensure the highest quality of programming.

Venue Centre For Literacy Training Room
Suite 100, 9797-45th Avenue
Edmonton, Alberta, T6E 5V8

Welcome to Number Town!

Who should participate in Number Sense?

Number Sense is a great program for any student in Grade 1 or 2.

It is particularly valuable for students who:

- Might benefit from additional support to learning foundational math skills
- Lack confidence in counting and doing math related activities
- Are looking for opportunities to practice math and have fun
